

Dress Code

2021-2022

Why do we have a dress code?

We have a strict dress code so that our learning environment remains safe and professional. It is part of our core values to teach students responsibility for themselves and respect for the art, so we expect our dress code to be followed consistently. Students may be asked to sit out if they do not have the proper shoes and attire.

All items are available for purchase at our in-studio boutique. Arrive early to shop before your class!
